{Professional Portrait Prints}

All of our professional prints come with a luster finish and are printed on Kodak Supra Endura Professional Paper to ensure the quality and longevity of your portrait prints. The lustre coating not only protects, but will also give your prints a more matte look versus an uncoated print. Your prints are created with printers that expose light sensitive papers which are then run through a chemical process. These are real photographs, not inkjet prints.

{Gift Prints} \$40

{Organic Bloom Frames}

I am pleased to offer these fun and fresh custom frames. Each solid-wood frame is hand painted and lightly distressed for a unique look and feel. Your prints will look fantastic inside these whimsical, fun frames complete with optional trim choices. Prices for frames begin at \$48 for an 8x10 (does not include cost of print). If you have a specific image you would like to have framed, let me know, and I can give you a price quote, as well as a digital sample of how it would look!

Float Wraps}

Float Wraps are a new, unique option to display images. Float Wraps are similar to Gallery Wraps in that they add dimension by extending out from the wall. They are unique in that they appear to be floating on the wall with the main focus on the image. This is a great way to create a modern display that is ready to hang as soon as you take it out of the box!

Float Wraps are made with a Lustre Print that is wrapped around masonite to create a thin wrap. The prints are protected with a matte laminate. Float Wraps are available in the following sizes and prices*:

8x10	\$95
11x14	\$125
16x16	\$160
16x20	\$185
20x20	\$245
20x30	\$295

{Standout Mounts}

Standout is the perfect contemporary mounting option that doesn't require a frame to hang on the wall. The sleek edges and sides of the Standout mount can create a modern wall display with the focus all on the image.

Standout is made from lightweight foam banded with a Black, White, Light Wood, or Stainless edge...my favorite is the light wood style.

**prices for standout mounts are the same as the float wraps, shown above.*

{Canvas Gallery Wraps}

Gallery Wrapped Canvases offer a truly artistic way to display your favorite images from your session in your home. They can turn a blank wall into a centerpiece of a room and will take your breath away every time you see them.

Canvas Gallery Wraps are a high quality print on an artist canvas. The canvas is then stretched over custom made wood supports. They are available in many sizes and are 1 1/2" deep. They display your photo as a piece of art and they stand out boldly on their own, without the distraction of a frame. They also come ready to hang and have a dustcover, hardware and bumpers already installed. So, all you have to do is choose the spot where you're going to display your canvas and hang it up!

8x10	\$145
11x14	\$185
16x16	\$225
16x20	\$245
20x20	\$275
20x24	\$285
